At Alzheimer's Society, we're the UK's leading dementia charity and the only one to tackle all aspects of dementia by giving help and hope to people living with dementia today and in the future. **Together with our supporters, we're working towards a world where dementia no longer devastates lives.**

# Our values

**Our values tell everyone who we are as an organisation.**

**Our values make sure that our focus is clear for the challenges and opportunities ahead and remind us of what we all stand for.**

**Our values are evident in everything we do, how we do it and how we work together.**

These are not just words on a wall, we live these every day in all our work. We are determined to make a difference when and where it matters most, by being passionate, focussed and making a lasting impact for people affected by dementia.

## **Determined to make a difference**

We're passionate, we're focused and we make a lasting impact for everyone living with dementia.

## **Trusted expert**

We're listening, we're learning and we use experience and evidence.

## **Better together**

We're open, we combine our strengths and we achieve more together.

## **Compassionate**

We're kind, we're honest and we don't shy away from challenges.

Through our values we will make the greatest difference for people affected by dementia.
